

# EASY FUNDRAISING THAT GETS... **BIG RESULTS!**

Let Cloister help your group raise money for your next fundraiser!

With Cloister's Fundraising Program there's no money needed upfront! Simply choose from 2 options:

- **PRE-SELL:** Take pre-orders for the fundraiser cards and order the exact amount. We'll provide you with order forms for your sellers.
- **DIRECT SELL:** Your group is provided with fundraiser cards upfront for each individual to sell\*. Any unsold cards must be returned to Cloister with a check that equals \$4 for each card sold. (\*5 cards/seller)

**Either option you choose, you'll get:**

- A fundraiser card with an \$8 donation value. The card includes a complimentary outside wash coupon and a discount on an express wax.
- 50% of the proceeds raised at the end of your selling period. Because each fundraiser card is valued at \$8, you keep \$4 of each card sold.
- A contracted selling period and date to return unsold cards.

Excellent program. We thank you wholeheartedly. We raised enough to sponsor a child for a year. Thanks again.

This is an easy fundraiser. It is a local business supporting local groups with a great profit!

*David Petters*

It's an easy product to sell. The fact that the return is 50% is nice — it makes it worthwhile. It runs smoothly and we've never had any problems.
