**Cloister Wash & Lube to Host Food Drive to
Benefit Local Food Bank and Pantries**

Lancaster, PA (January 31st, 2012) – On Tuesday, February 7 and Wednesday, February 8, Cloister Wash & Lube will host a Food Drive to benefit Water Street Ministries, York Rescue Mission and the Greater Berks Food Bank. Donations can be dropped off at any of Cloister's 4 locations: 825 West Main Street, Ephrata, 1417 Manheim Pike, Lancaster, 2720 East Market Street York, and Rt. 724, 600 Revere Blvd, Sinking Spring, between 7:00 a.m. and 7:00 p.m. Anyone donating non-perishable, non-expired food will receive 50% off their wash that day. In the event of rain, donations can still be dropped off and a 50% off wash coupon will be given to use on a future visit.

“When Cloister Wash & Lube learned that some organizations saw a 25% drop in food donations this past holiday from the previous, we wanted to do something to help build up their food supply,” said Sharon Ramp, Director of Marketing for Cloister. “These organizations have a commitment of serving all year long and rely on community support to help those less fortunate and in need. We encourage our local communities to come out and donate and receive 50% off their wash when they do.”
